Attn: Office of Petitions:

RENEWED PETITION UNDER 37 CFR 1.137

Dear Sir:

This is a renewed Petition for the revival of the patent application identified above. The decision on the Petition under 37 CFR 1.181 and 37CFR 1.137 (a) was dismissed and the Petition under 37 CFR 1.137 (b) was held in abeyance.

Applicant's Attorney requests the statements of facts in the earlier Petition to Revive be incorporated herein as if contained herein.

Applicant's Attorney renews his statement that Applicant's Attorney did not receive the mailing of the Office Action in which the claims were rejected, dated July 2, 2004.

Applicant's Attorney attests that he received the Notice of Abandonment mailed March 25, 2005.

Applicant's Attorney hereby attests that the Office Communication, mailed July 2, 2004 was not received by him and Applicant's Attorney attests to the fact that a search of the file jacket of the docket LK9-03-001 was made and no evidence of the missing Office Communication dated July 2, 2004, was found other than a facsimile copy of the Official Communication which was requested by me on the 18th of May, 2005 from the examiner and faxed on 18 May 2005. Applicant's Attorney further attests that a search of the Docketing Record was conducted and no evidence of the Office Communication mailed July 2, 2004 was found.

Attached as Exhibit A is a copy of the File Jacket cover for Docket LK9-03-001 showing no entry for the missing Office communication in the period of July 1 through December 24, 2004.

Further, attached as Exhibit B is a copy of the Docketing Record page covering the period of December 30, 2003 through July 28, 2005. No entry is found that would indicate that the missing Office Communication was received during the period of July 1, 2004 through the present, except the facsimile copy from the Examiner, faxed on May 18, 2005.

Accordingly, the evidence contained in the copies of the File Jacket and the Docketing Record clearly indicates that the Office Communication dated July 2, 2004, was not received, prior to the abandonment of the subject application.

Applicant's Attorney respectfully requests that this Renewal of the Petition filed June 22, 2005 be favorably decided and that the application serial number 10/713,987 be revived and the Amendment filed June 22, 2005 with the original petition entered and acted upon by the Examiner.

Respectfully submitted,
Thomas E. Walker
